

RENUKA V

PROFILE

I am a motivated BCA student with a strong interest in programming, data analysis, and web development. I enjoy learning new technologies and improving my technical skills through academic projects and courses. I am a responsible and dedicated learner who values teamwork and continuous growth. My goal is to build a successful career in the IT field by gaining practical knowledge and experience.

CAREER OBJECTIVE

To obtain opportunities where I can apply my technical knowledge, develop my skills, and gain practical experience in the field of information technology while contributing positively to the organization.

Projects

Blinkit Sales Analysis Dashboard – Power BI

- Created an interactive dashboard using Power BI to analyze Blinkit sales data.
- Visualized key insights such as sales performance, product categories, and outlet distribution.
- Used charts, filters, and slicers to present data effectively.
- **Data Analysis using Microsoft Excel**
- Organized and analyzed datasets using Excel functions and tools.
- Used sorting, filtering, and charts to understand and visualize data trends.
